Our Commitment:

The Safety Program at SWTX is dedicated to providing exceptional customer service while ensuring the safety of the entire campus community. Our goal is to maintain a secure environment that supports learning and work for everyone on campus. By collaborating with faculty, staff, students, and local emergency entities, we aim to build a strong safety culture that promotes normalcy in education. We are committed to educating the campus community about personal safety measures and raising awareness at all levels.

What are we doing to make SWTX be and feel SAFE?

- Event Action Plans (E.A.P.)
- Trainings, Drills, and Exercises
- Access Control
- Work Closely with Emergency Responders
- SWTX PD Upgrades
- Maintain Mass Notification
- Department accountability
- SWTX Community Engagement

SOUTHWEST
TEXAS ★ COLLEGE

Event Action Plan (E.A.P)

An EAP (Emergency Action Plan) is a planning document created by event safety organizers to outline the safety protocols, outcomes, objectives, and logistical details of an event. Our safety team implements an EAP at every major SWTX event.

Notables:

- Palomino Fest
- Graduation/Commencement
- SWTX Rodeo
- Christmas At The College
- Grilln' with the President
- Kids College
- Project Graduation

ACCESS CONTROL

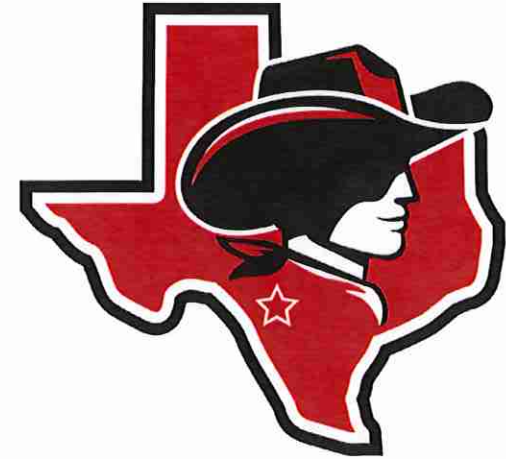

Access control is the practice of limiting entry to a property, building, or room to only those who are authorized.

How do we utilize access control?

- Emergency Lockdown/Secure
- Day Care Access Control
- Panic Buttons for quick response
- Run Report of Breach Entries
- Scheduling door zone hours
- Benefits of keyless entry
- Reports of card usage

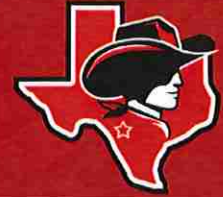

SWTX works closely with Emergency Responders

- Uvalde PD
- Sherriff Office
- Emergency Operation Center
- Air Evac
- Border Patrol
- EMS
- Uvalde Fire Department
