

**FOREST LAKE AREA SCHOOLS  
FOREST LAKE, MN 55025**

**February 12, 2026**

**AGENDA ITEM: 10.1**

**TOPIC: First Reading - Recommendation to Approve 2027-2029  
Achievement & Integration Plan**

**BACKGROUND:**

The district has long had a practice of utilizing Achievement & Integration funding to support high-quality programming and student success. These resources have enabled the district to develop a plan aimed at reducing barriers to school achievement, expanding opportunity for learning and rigorous courses, and developing programming that helps students prepare for their futures. The results of this funding have resulted in increased enrollment in rigorous courses across all demographic bands and a reduced gap in achievement between student groups.

**PROCESS:**

The district followed a pattern of recent changes to its Achievement & Integration plan in developing this proposed new three-year plan for school years 2027-2029. The new plan has adjusted goals based on new baseline data.

**RECOMMENDATION:** Presentation and Discussion (First Reading)
