RE: District 90 Public School Calendar 2020-2021

Each year, the District Calendar Committee meets to discuss options for the following school year. The committee is comprised of teachers, support staff, parents, and administrators. The proposed calendar reflects the Illinois State requirements for student attendance, emergency days, parent teacher conferences, and professional development days. In addition to working with the Calendar Committee, we consult with both District 97 and District 200 to align our calendars to the greatest degree possible.

The below are the proposed calendar items for Board review and recommendation:
