Dear Members, Donors and Volunteers of NTCWA,

I am sending you all a belated THANK YOU for donating \$100.00 to our Family Resource Center. Karen Wheeler, our secretary, had mentioned in passing that the FRC received a donation for when I needed to order more backpacks. We had a few left so I didn't think about it again until last week when I needed to hand out a few to our students. Now that we are about half way through the school year many backpacks are breaking and I'm so happy to be able to offer distressed children a brand new replacement!

I appreciate your organization's ability to predict what our school community needs and willing to offer the resources that can help alleviate unnecessary stress in a child's life.

Bless you all for your commitment to our children's present and future lives! It takes a village to provide the care to nurture these wonderful children.

Gratefully,

Heaven Hartford
