RE: Board of Trustees Report

The Building

The maintenance crew and Irma and Jesus have the building looking sharp and ready for our staff and students. The new carpet and paint have really dressed up the school. We appreciate them so much.

Staff PD

On August 14th the HMS staff will spend the day on PBIS training and finishing our book study team presentations on Fostering Resilient learners. This book has been great for the HMS staff and compliments our PBIS vision nicely.

Open House

The open house and teacher meet and greet will be August 15th 4:00-8:00
