

Board of Education

ACTION

TITLE: Edit the Superintendent's 2025-2026 Performance Goal

DATE: October 27, 2025

RESPONSIBLE ADMINISTRATOR: Mr. Martin Mahan
Superintendent

BACKGROUND/CONSIDERATIONS:

Goal 6.1 of the Superintendent's 2025 -26 Performance Goals needs to be updated. The rationale for this recommendation is that the construction updates are not currently a monthly report to the board.

The current goal is below and the proposed edit is in italics and bold:

Current Goal:

6.1 Develop a digital marquee, roof and HVAC standards and life cycle budget program.

Measurement of Completion

- Study/evaluate current marquee, roofing, and HVAC systems.
- Establish a life cycle budget and repair/replacement plan.

Deliverables

- Present final plan to school board as part of monthly facilities update

Target Date/Completion Date: June 2026

Edited Goal:

6.1 Develop a digital marquee, roof and HVAC standards and life cycle budget program.

Measurement of Completion

- Study/evaluate current marquee, roofing, and HVAC systems.
- Establish a life cycle budget and repair/replacement plan.

Deliverables

- ***Present final plan to school board***

Target Date/Completion Date: June 2026

RECOMMENDATION:

The administration recommends that you approve removing the phrase ***as part of monthly construction update***.
