

# FV 2025-2026 Site Council Agenda

**Date: March 5th, 2026**

**Site Members: Jessica Falkenhagen, Hailey Geurin, Megan Parker, Krissy Cartwright, Hilary Botti, Carly Hinkle, Kaci Zaklan, Lauren Amner**

**School Size: 221**

## **School Safety:**

- Fire Drill 2/12, 3/2
- Play Structure was removed 2/13
- The rock was pushed back to get ready for the new playground structure 2/19

## **Title I:**

- Read Across America Week
- STEAM Night 3/12

## **Parent Involvement**

- Book Fair (3/9- 3/12)
- Playground update - Kaci reports that this past Monday Playcraft installers showed up to install the structure that we purchased and we were told that we did in fact have to have treated bark under the structure, 30 yards worth. The additional cost of this will be \$3800 extra. Playcraft has assured Kaci that this amount is "at cost" given that the bark has to be specially treated so that it does not splinter. Krissy states that with the Active Club awarding the PTO \$2000 towards our playground.
- Bingo Night - Megan & Krissy report that there was an excellent turnout for bingo night. We used all of the cafeteria tables and needed additional round tables from the stage. Ms. Falkenhagen would like a note to be made so that we obtain additional tables from the district office for next year's event.
- Kindness Week - Carly reports that Kindness went well. Ms. Falkenhagen reports that every staff member got two of the extra kindness pins to give out. Next Wednesday, the PTO will be hosting an event in the afternoon, Bingo with gift card prizes and popcorn, for approximately 40 students who received these pins.
- Classified Staff Appreciation Week - Krissy reports that she got lunch from Casablanca, which was a variety of wraps and tots as well as \$10 Wheelhouse Coffee gift card. Ms. Falkenhagen reports that there was just a little bit of food leftover and staff reported that the food was good.
- Bottle Drop Update - Hilary reports that the bags have brought in \$82.97 in the past 3 months. Krissy has asked that she withdraw the month quarterly so it can be deposited into our PTO account.
- Book Fair - Carly is looking for a few more volunteers on some of the days next week. STEAM night there will be a PTO table there and Hilary and Kaci will be there. Krissy and

Carly will also be present to help. Will plan to have merch available for purchase as well as advertise what the PTO has been up to and what funds are being spent on so far this year.

- Color Run: Hilary is planning on reaching out to community members to see if there is a possibility of local business sponsoring parts of the Color Run; ie: the shirts, or the color that is thrown. She is hoping that this will help cut costs.
- Dance - Kaci will be Chairperson of this event. The dance will be on 4/23 at 5:30pm with the theme being 'Under the Sea'.

### **Instruction**

- District Science Fair went great, we are waiting for results of how students placed.
- 4th grade NAEP assessment was given on 2/19
- Conferences will be 4/9-4/10

### **Culture**

- Classified Appreciation Week (3/2- 3/5)
- EDI Culture Day was pushed back to May
- District Science Fair %
- End of the year OSAS award for 3-5 students, PTO will help with snowcones for the event
