3/23/2018 - 9:00 AM

1. Welcome - Present: Erik Lathen, Jeaneen Beagley, Stephanie Phillips, Danny Pratt, Dennis Misner
 - a. The minutes were approved from last month
2. This month's Happenings....
 - a. Spring Sports are off and running.
 - b. There has been a lot of publicity about Kelsey Anchors being the first baseball female coach in Oregon from publishers like USA today and the Daily Courier.
 - c. We have some premier athletes in track such as Bailey Touey.
 - d. Fleming has a lot of track kids - how many of those kids transfer to track here?
 - e. Academics - Danny Pratt reported that there have been many "I"s completed.
 - f. Academic Masters - We have 5 finalists ready to go onto the Finals which will be held April 17th at HVHS.
 - g. We have our Battle of the Books and our Brain Bowl teams heading to State next month.
 - h. Mr. Lathen has been working to get the energy back into the 3R climate and culture campaign. There was much discussion about April's theme. It was decided that they will use jelly beans or eggs to reward students who give their input on things they are doing for the SLC if they are asked in their classes. Jeaneen will look into get some jelly beans or eggs. They will use spring as an opportunity to start again.
3. Collaboration Team proposals
 - a. Tech update
 - i. ESD will be doing the wiring for our new cameras over the Spring Break.
 - b. Aces/Trauma informed- we are continuing on with our ACES training as we are getting started on some ideas to help kids learn who have experienced trauma
 - c. SLC - students have been working in their TEAM to get ready for SLC. Erik has sent out to parent letters introducing SLC and their will be an online source for parents to sign up for SLC after Spring Break. There was discussion on how our families may not respond well to the SLC but we will give it a try. There was also discussion about trying to get all the SLC fit into one day and one evening of conference time.
 - d. Preferential polling has happened for next year.
 - e. We sent some students to the Airport for a workshop on a program that Alaska/Horizon airlines will be offering for students interested those careers.
 - f. We are working on some Blue Zones issues. Erik has already made some connection with the Blue Zone. There are mixed feelings about this project.
