TOPIC	PERTINENT DETAILS	NOTES	NEXT STEP(S) & WHO COMPLETES THEM	DUE DATE
Warm Welcome	Share one nature adventure you had over break.			
Online updates	<p>We are continuing to embed EE into our courses through assignments, field trips, experiments, explorations, and our Connection project for 9-12.</p> <p>Ideas for Earth Day - field trip meetings -all school meeting We are still working on this</p> <p>Preparing for OW trip. K-5 may go to Long Lake Conservation Center if there is no space at OW. This is a great problem to have</p>	<p>-area clean-up and compare-what interesting things did we find?</p>		

Seat-based updates	<p>~Trout eggs came and are starting to hatch!</p> <p>~Set EE PD for May 1st with Laura Duffy for “Teaching in your School Forest”</p> <p>~Wolf Ridge Learning Center trip at end of the month</p> <p>~Starting to make “packets” to go with ECO time cards</p>	Will share ideas that may work well for online as well		
Mess-e	<p>Good initial participation with intro assignments and salt watch. We are struggling to engage students in the English part of the project, so working to find ways to make it more beneficial, dual credit, putting it earlier in the course.</p>			
PD updates	Starting part two of online PD - learning coaches will review virtual field trips and activities.
