OFFICIAL COMMUNICATION

Date: October 11, 2018
To: Board of Trustees
From: David Atkeisson, Director of Business Services / CFO
Subject: Bus Purchase – Seatbelt Waiver

The Texas Transportation Code was amended in 2017 to require all 2018 and newer school buses to be equipped with three-point seat belts for each passenger unless the board of trustees votes to waive the requirement.

For this current purchase of three buses in relation to the TCEQ grant, we will be able to take delivery of the three buses within 14 days of issuing the purchase order if we waive the seat belt requirement. It would be our intent to revisit this issue at our next bus purchase.

Respectfully submitted,

David Atkeisson
Director of Business Services/CFO
