Good Afternoon:

Our ACES Governing Board rejected the proposed draft calendar for 2017-2018 by a vote of 15-2. Naugatuck and Meriden voted to approve the draft calendar. The discussion included strong arguments in favor of starting with PD Day of Monday, August 28 with students first day, Wednesday August 30. Board members from Oxford, Orange and North Haven were most strongly in support of starting the week of August 28 with teachers that Monday and having students start on Wednesday, August 30.

Many Board members expressed an interest in getting input from their Board, so your ACES Board member may be coming to you in the near future to talk about the calendar.

I'll schedule another meeting/conference call shortly through Elaine Sein so we have a new proposal for them for the November 10 ACES Board meeting.

Board members present at the meeting and voting were Amity, Bethany, Branford, Cheshire, East Haven, Hamden, Region 13, Meriden, Middletown, Milford, Naugatuck, North Haven, Orange, Oxford, Wallingford, Waterbury, West Haven.

Thanks,  
Tom
