Re: Recommendation for Environmental Consultant – Phase III Middle and High School Projects

We would like to discuss the recommendation for Environmental Consultant for the 2013 bond Phase III - Middle and High Schools at the Building and Site Committee meeting on Monday, January 11, 2016.

The recommendation is for Arch Environmental to be appointed as the Environmental Consultant for these Phase III projects.

Plante Moran Cresa will attend the meeting to present the recommendation details and be available for questions. Thank you very much.
