**Purchasing
Authority**

The Board delegates to the Superintendent the authority to make budgeted purchases for goods or services. However, any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place. Budgeted purchases in excess of \$25,000, but not exceeding \$50,000, shall be reported to the Board in a timely manner.

Regardless of value, the Board delegates to the Superintendent the approval of purchases of instructional materials for classroom use if such purchases were made through the Texas Education Agency's Educational Materials (EMAT) system in accordance with law and Board policies.

When federal funds are spent for the purchase of goods or services, the District administration shall follow the regulations, statutes, standards, and rules applicable to those federal funding sources, as well as state law to the extent applicable, in procurement of the goods or services.

A purchase made in accordance with the sole-source exception in state law [see CH(LEGAL)] shall be approved by the director of purchasing prior to the transaction. A vendor that provides sole-source products or services shall be required to provide a signed, notarized sole-source affidavit. Board approval shall be required for any sole-source purchase of \$50,000 or more prior to the transaction.

The Superintendent shall report to the Board at the next regular meeting any contract made under this authority. [See Disaster Exception, CH(LEGAL)]
