

# Contracts

## **Background:**

Both of the contracts for building principals coming before the board for approval have:

- 10 paid holidays;
- 10 vacation days; and
- 3 personal days.

This concludes to 217 contracted days for both building principals. Salary will be determined after bargaining sessions with the BKEA and BKESA.

The contract for Jenn Peter will also be coming to the board for approval. This contract will include the addition of travel and moving expenses.

## **Recommended Action:**

I recommend the board consider the contracts as presented.
