Homedale Board of Trustees,

What a fun spring it has been for Homedale Athletics as a whole. We have many things to be proud of as an athletic department. Our softball team was state champs, our baseball team made it to the championship game and lost a close one, Max Schmidt played in the men's tennis singles state championship match, boys golf team finished fourth as a team and also won their second academic state championship in a row, and track represented Homedale well at the state meet. So to say we had a successful spring is the biggest understatement of the year. Huge congrats to all the athletes and coaches for all of their hard work.

Summer workouts have officially started for all sports. Currently the weight room is open two times per day (7-9am & 5-7pm) to give all of our athletes the opportunity to lift. All of the coaches are signing up to be at all lifting sessions. These sessions will be Mon-Thurs all summer long.

Our new entry way for the football field is officially finished. We had the gates put on two weeks ago. The concession stand is getting closer. It should be ready by the first home football game.
