Professional Personnel

5:220 Substitute Teachers

The Superintendent may employ substitute teachers as necessary to replace teachers who are temporarily absent.

A substitute teacher must hold either a valid teaching or substitute license ~~or short-term substitute license~~ and may teach in the place of a licensed teacher who is under contract with the Board. There is no limit on the number of days that a substitute teacher may teach in the District during the school year, except as follows:

1. A substitute teacher holding a substitute license may teach for any one licensed teacher under contract with the District only for a period not to exceed 120 days beginning with the 2021-2022 through the 2022-2023 school year. [PRESSPlus1](#) otherwise 90 paid school days in any one school term.
2. A teacher holding a Professional Educator License or Educator License with Stipulations may teach for any one licensed teacher under contract with the District only for a period not to exceed 120 paid school days.

The Ill. Teachers' Retirement System (TRS) limits a substitute teacher who is a TRS annuitant to substitute teaching for a period not to exceed 120 paid days or 600 paid hours in each school year, but not more than 100 paid days in the same classroom. Beginning July 1, 2023, a substitute teacher who is a TRS annuitant may substitute teach for a period not to exceed 100 paid days or 500 paid hours in any school year, unless the subject area is one where the Regional Superintendent has certified that a personnel shortage exists.

The Board of Education establishes a daily rate of pay for substitute teachers. Substitute teachers receive only monetary compensation for time worked and no other benefits.

Short-Term Substitute Teachers [PRESSPlus2](#)

A short-term substitute teacher must hold a valid short-term substitute teaching license and have completed the District's short-term substitute teacher training program. [PRESSPlus3](#) Unless otherwise permitted by law, [PRESSPlus4](#) short-term substitutes may teach no more than five consecutive school days for each licensed teacher who is under contract with the Board.

Emergency Situations

A substitute teacher may teach when no licensed teacher is under contract with the Board if the District has an emergency situation as defined in State law. During an emergency situation, a substitute teacher is limited to 30 calendar days of employment per each vacant position. The Superintendent shall notify the appropriate Intermediate Service Center within five business days after the employment of a substitute teacher in an emergency situation.

PRESSPlus Comments

PRESSPlus 1. Updated in response to 105 ILCS 5/21B-20(3), amended by P.A. 102-717. **Issue 110, October 2022**

PRESSPlus 2. [105 ILCS 5/21B-20\(4\)](#) governs Short-Term Substitute Teaching Licenses, which may be issued from 7-1-18 until 6-30-23. Short-Term Substitute Teaching Licenses are not eligible for endorsements. Applicants for a Short-Term Substitute Teaching License must hold an associate's degree or have completed at least 60 credit hours from a regionally accredited institution of higher education. Individuals who have had their Professional Educator License or Educator License with Stipulations suspended or revoked are not eligible to be short-term substitutes. *Id.* Short-term substitutes may not be hired for teacher absences lasting six or more days. [105 ILCS 5/21B-20\(4\)](#) repeals on 7-1-23.

PRESSPlus 3. [105 ILCS 5/10-20.67](#) requires boards to conduct this training. This requirement provides an opportunity for each board and the superintendent to examine all current policies, collective bargaining agreements, and administrative procedures on this subject. Each board may then want to have a conversation with the superintendent and direct him or her to develop a curriculum for a short-term substitute teacher training program that provides individuals who hold a Short-Term Substitute Teaching License with information on curriculum, classroom management techniques, school safety, and district and building operations. See also 5:220-AP, *Substitute Teachers*, and f/n 3 in 5:220-AP. These expectations will be most effective when they reflect local conditions and circumstances. Training and curriculum for a short-term substitute teacher training program may be subjects of mandatory collective bargaining, therefore consulting with the board attorney should be a part of this process. A district would commit an unfair labor practice by implementing new programs for staff without first offering to negotiate them with the applicable exclusive bargaining representative.

School boards may choose to also offer this training program to individuals who hold a Substitute Teaching License and/or substitute teachers holding a Professional Educator License. This provision repeals on 7-1-23.

PRESSPlus 4. Updated in response to 105 ILCS 5/21B-20(4), amended by P.A. 102-712, permitting short-term substitute teachers to substitute for a licensed teacher for up to 15 (rather than five) consecutive school days, if the Governor has declared a disaster due to a public health emergency, through 6-30-23. **Issue 110, October 2022**
