

Superintendent Goals Progress Report January 27, 2020

Jon Bartelt, Superintendent of Schools

Student Achievement Goal

Students will meet expected annual growth in Reading and Mathematics on the Measures of Academic Progress Assessment (MAP) measured by the Spring 2019 RIT scores to Spring 2020 RIT scores.

To be measured in the May 2020 administration of the MAP assessment.

Superintendent Goal 2: Strategic Plan Initiatives

- Provide examples of meaningful student centered learning experiences
- Maintain and seek communication with the greater community
- Develop a District Staffing Plan
- Link to [Superintendent Performance Goals](#)

Meaningful Student Centered Learning Experiences

- Parent
- Community member (no children being served in D13)
- Student

Community Coffees Scheduled for 2/1 (WF), 3/7 (DJ), 3/21 (EE)

Develop a District Staffing Plan

- District Administrative Team analyzing staff/positions since September 2019;
 - Discussions included NDSEC programs;
 - Staff evaluations have been monitored
-
- Notice to retire with the retirement clause in the contract by 2/1;
 - Teacher sharing jobs and on Leave of Absence deciding their return by 2/1;
 - Staffing plan to be publicly released at Committee of the Whole meeting in March
