

Questions from Homer Flores:

Good Morning Dr Flores, I am submitting to you some questions regarding item #4 under Presentations and Reports. Why do we pay vendors to provide CPR training?

As a District we are required by law to provide payment to vendors who provide authorized goods and or services to the district.

Every campus is required to have an Automated External Defibrillator and must also comply with the following mandates of state law:

School districts must annually make CPR and AED training available to employees.

- All coaches, nurses, PE teachers, band directors, cheerleader sponsors, and student trainers maintain current certification in CPR and AED.

Who selected the vendor Juan R. Osteguín III to provide CPR training?

The Head Start department requested that Mr. Osteguín be added as a vendor for South San Antonio ISD on July 7th, 2014.

Who authorized payment in the amount of \$1050.00 On June 6th, 2019 to this vendor?

Payment was made to complete a purchase order requested by the Health Services Coordinator for:

Basic Life Support (BLS) Class for 15 Adults: Include Student Manual and E - Card 4 hour class on 05-31-19 at 7:30AM - 11:30AM.

Which district personnel were trained?

District Nurses and Nursing staff

Where was the training held?

SSAISD Parent Center
