

We will be applying for a new waiver for:

Modified Schedule State Assessment Testing Days

This will allow students not testing to arrive at school after testing has concluded. Doing so will allow all staff to assist in the testing process and minimize distractions for test takers. We have applied for this waiver until 2015.

We will be applying to extend the following waivers for three additional years:

Staff Development Days (3 days)

Staff Development through Subject Training Materials (1 day)

Staff Development through Subject Training Materials (1 day)

Early Release Days (6 days)

Timeline for Accelerated Instruction
