helps develop new curriculum and virtual fieldtrips for their classrooms, and makes learning fun and exciting out of doors. Ms. Martinez attended a previous G-Camp through Texas A+M and was selected to attend a continuation/upper level course this summer.

# BAND ROCKS!

The Memorial Junior High School band has been fine tuning their skills in preparation for an opportunity to show off their talents to upper classmen at Winn HS and their parents. Coming up in April, band students will be challenged to play their band instruments and participate in sight-reading contest among one another.

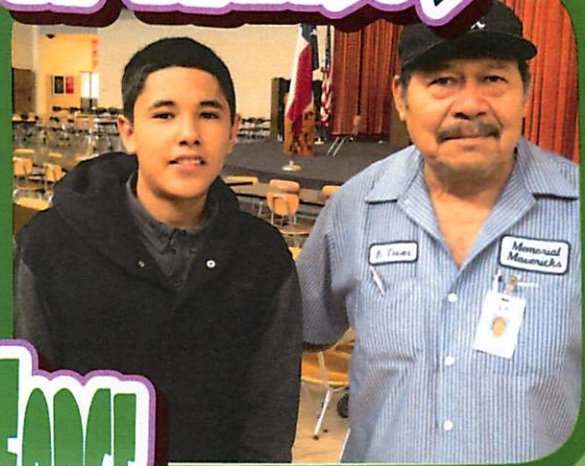

# A.R. TOP READER

270 PTS!

Ryan Nomapee, an 8th grade student at Memorial Jr. High, was choking during lunch and could not breathe. Mr. Tovar was on duty and noticed Ryan struggling. He came to Ryan's aid and assisted him by slapping him on the back until the food was dislodged. At Memorial we call our custodians the Blue Angels because of all they do to help keep our school running smoothly. In addition to their other duties, they are on duty and monitor everyday during lunch. We want to thank Mr. Tovar for his quick action. He knew what needed to be done and remained calm while assisting the student.

# A HERO!

# 8TH GRADE GEO-FORCE

GeoForce is an outreach program from the University of Texas at Austin that hopes to get students interested in the earth
