ACTION

BACKGROUND INFORMATION:

In addition to setting the time, date, and location for the budget hearing in June, the Board also must approve the tax rates the school district will advertise in the required Budget Advertisements of the 2013-2014 budget. The actual tax rate will be formally adopted by the Board in August after certified taxable values are received from the Appraisal District.

The Board has several options on the rates that it could adopt and those options will be explained at the May 17 meeting.

BOARD ACTION REQUESTED: That the board approve a set of tax rates to be advertised for the June 3 budget hearing.
