Subject: Renewal of RFP #F1073(A-C)-24 Career and Technical Education Supplies, Equipment, Services, Curriculum and Other Related Products and Services

Background Information:

- The Lewisville ISD Board of Trustees previously awarded Request For Proposal (RFP)s #F1073(A-C)-24. If approved, this would be the first renewal option of three possible two-year terms.
- This renewal RFP identifies the purchasing needs for programs that follow the Career Clusters offered in Lewisville ISD, including but not limited to: A/V Production, Agriculture Mechanics, Animal Science, Animation, Architecture, Auto Collision Repair, Automotive Technology, Career Center Video, Cosmetology, Culinary Arts, Cyber Security, Dental Assistant, DJCC Career Courses, Electrical, Engineering, Environmental & Natural Resources, Event Planning, Floral Design, Forensic Science, Game Programming, Graphic Design, Health Sciences, Horticulture, Hospitality Services, HVAC, Illustration, Information Technology, Law Enforcement, Live Media Production, Pharmacy Tech, Plant Science, STEM, Veterinary Assistant, Video Game Design, Welding, Wood Manufacturing Technology, and any other classroom materials as needed district-wide for Pre-K–12th grade.
- The selection of listed vendors does not demonstrate a recommendation of specific products; rather, intends to provide a broad foundation of vendors to allow for flexibility within the different campuses and programs that utilize local, state, federal, and grant funds.
- Awarding multiple vendors allows the District to request multiple quotes to help provide access to a wide range of vendors, services, and pricing to help provide the best value for the District.
- Best value involves considering several factors, which may include, but are not limited to, price, quality, availability, delivery timing, support, and other relevant factors. Awarding to multiple vendors does not obligate the District to make purchases.
- Expenditures with federal funds still require a multi-step approval process that ensures federal compliance and adherence to local, state, and federal guidelines.

Administrative Consideration:

- Funds for these products and services will come from the general operating, state, local, activity, bond, federal, and grant funds.
- Previous annual expenditures:
 - 2025–2026: \$1,360,000

- Estimated annual expenditures: \$1,400,000 but will not exceed the approved annual budgets.
- This procurement complies with Section 44.031 of the Texas Education Code, 2 CFR 200 of EDGAR requirements, and other applicable state and local procurement laws.

Recommendations:

- That the Lewisville ISD Board of Trustees approves the renewal of RFP #F1073(A-C)-24 Career and Technical Education Supplies, Equipment, Services, Curriculum and Other Related Products and Services, the recommended vendors, and the estimated annual expenditures for two years.

Timeline/Report:

- Term: May 2026 – May 2028
