Presenter(s): Alan Gaylor, Director of Buildings and Grounds

Nature of Action Requested by Board

Board action	<input checked="checked" type="checkbox"/>
Board information or scheduled report	<input type="checkbox"/>

Background Information

Each year, school districts and cooperatives are required to approve 10-year long-term facilities maintenance (LTFM) plans to access a levy for deferred maintenance projects, health and safety, and other allowed work. LTFM plans show estimated costs for projects in categories that qualify for LTFM funding.

The school board approved Red Wing's plan in June. GCED's LTFM plan must be approved by each member district with costs shared proportionately between member districts.

Recommendation

I move to approve the Resolution Approving School District No. 6051 Long-Term Facility Maintenance Ten-Year Plan.
