Committee Meeting Agenda Item

Topic: Hovda Hall Sound and Video System
Contact(s):
Presenter(s): Kevin Johnson, Director of Buildings, Grounds, and Technology

Nature of Action Requested

Committee Recommendation
Committee Information or Report

Background Information

Two quotes were received for the replacement of the Hovda Hall sound and video replacement system:

| | |
|-------------------------|-------------|
| Sound & Media Solutions | \$84,369.69 |
| Olympic Communications | \$77,030.18 |

Music staff at RWHS and Twin Bluff were consulted to ensure all needs for general auditorium use, music concerts, and musical/play productions will be met with the new system.

The recommended system, though slightly more expensive, is the same brand and type of equipment installed at Twin Bluff in 2018 thanks to the referendum. This makes these complicated systems more user friendly because both are controlled in the same way. Additional basic use controls were added so presenters can plug in their compute or other device, set the volume, and be ready to present.

Recommendation

I recommend to the school board approval of the quote submitted by Sound & Media Solutions of Rochester, MN for \$84,369.69.
