Custodial/Maintenance Report

Training Conducted

The OSHA required safety training on Back Injury and Lifting Safety was conducted with all Dashir employees on June 14, 2017.

Progress on Projects

- Started up irrigation system, there were many leaks on the varsity baseball field. Repairs were made and grass repaired also.
- Moved career center to room 303. A new door will be cut in the sheetrock in room 301.
- Currently cleaning and waxing classrooms.
- Repairs were made to some tile line in the rain garden.
- Beginning the remodel project for the elementary technology room soon.
- HVAC project is underway. Sound boxes are being removed from various classrooms, roof work is being conducted, some of the components are starting to arrive and being placed in the parking lot. The controls for the units are getting new wiring ran throughout the entire building.
