Subject: 2012-13 Professional Hiring Presented By: Mike Hodgson,

Schedule and all other staff

salary increases.

Business Manager

#### ACTION

#### BACKGROUND INFORMATION:

Attached you will find a proposed certified staff hiring schedule (for teachers, librarians, counselors, and nurses) for 2012-13. The increase we propose is a midpoint increase and is similar to what Amarillo ISD does, giving all employees (except those at the top of the salary scale) the same dollar amount increase. The increase we propose is an \$1,100 increase over what each employee is making currently. This represents a 2.667% increase above the midpoint of our current hiring schedule.

For non-certified staff and for administrators, we are recommending a 2.667% increase. A salary matrix for clerical, maintenance, para-professionals and food service employees is attached that reflects this percentage.

It is the intent that these salary increases be approved at tonight's meeting and communicated now, with the understanding that the increases will not become effective until next school year.

#### PRESENTATION/PURPOSE:

This is a presentation of a proposed 2012-2013 Professional Hiring Schedule for Teachers, Librarians, Counselors and Nurses, and of a 2.667% salary increase (and the associated salary matrix) for all other staff.

#### BOARD ACTION REQUESTED:

It is requested that the Board approve the following:

- 1. Approve the proposed Professional Hiring Schedule for 2012-13 for certified staff (an \$1,100 increase.)
- 2. Approve a 2.667% salary increase for all other staff.
- 3. Approve the salary matrix for 2012-13 for clerical, maintenance, paraprofessionals, and food service staff that reflects this 2,667% increase.
- 4. Please note, these approvals do  $\underline{\text{NOT}}$  apply to the Superintendent's salary.
