Dear Mrs. Matthews,

I write this letter to officially submit my resignation as the 7-8 Social Studies Teacher at Midwest Central Middle School effective as of August 3rd, 2026.

Due to personal reasons, I am relocating from the area. I plan to continue working on my master's degree while I pursue other endeavors.

I am grateful for the opportunity to teach and coach at Midwest Central. I greatly value the relationships I have developed with my students and colleagues, and I will take with me many lessons as I continue in my career.

I am happy to do what I can do to help during this transition.

Sincerely,

A handwritten signature in black ink, appearing to read "Nicole Bracken", with a stylized, cursive script.
