

Prescott High School Bands and Orchestra

"First Class"

Monday, March 8, 2010

Dear Mrs. McCraley

It is my honor and pleasure to ask for your assistance in granting the Prescott High School Orchestra and Show Choir permission to travel to Anaheim, California on May 6, 2010 to participate in the Disneyland Magic Music Days Program.

Here is some trip information we can share with the school board:

The cost of the trip is currently \$388, but we are working to bring the cost down by looking at group rates for a performance dinner on Thursday night and keeping our hotel under \$100 a night, each student is responsible for the total cost of the trip. Some of the students choose to pay the entire fee out of their families pockets. Most students will be using tax credits donation.

There are 25 orchestra students and 32 choir students who are eligible to participate in this activity. We have 2 directors travelling with us, and we will have at least 5 chaperones attending the trip as well.

The Orchestra Performance will be on May 7 at the Plaza Gardens stage, the time is unknown currently. And the Show Choir Performance will be on May 8 at the California Adventures Stage and again the time is unknown.

We are currently in negotiations with a hotel in the area. But are still looking for our best rate.

On Thursday night the students will be entertained at a dinner theater show, Medieval Times, in Buena Park. We have attended this show in the past, it is a great night of animal and theatrical entertainment.

We will be transported by Masters Touch Christian Charters, based our of Prescott Valley. The total cost of the transportation is \$8,000, \$4000 of which will be passed on to each child but is covered in the total cost already stated. The other \$4,000 is being covered by tax credit donations already received in each program

I will be available at the school board meeting if there are any further questions.

Sincerely,

Daniel F. Bradstreet
