Agenda Item

Priorities, Goals, Initiatives

Background

Annually, the Board reviews and refines priorities and initiatives.

During the August Board Retreat, the Board reviewed longitudinal student achievement data. This included summative achievement data (SBAC results and Graduation), demographic data (Socio-Economic) and leading indicator data (End-of-year Kindergarten DIBELS).. All data sets were longitudinal and illustrated trends.

Also during their August Retreat, the Board reviewed the District's Priorities and Strategic Initiatives.

October Board Work Session

Board member feedback and administrative team input have both incorporated into the updated materials.

The Board will receive updated draft materials. These include Strategic Priorities and Initiatives as well as a proposed summative student achievement goal. The board will have an opportunity to provide additional feedback on all of these items during the work session.

Some essential questions for October Work Session

- Does the document accurately and completely reflect Board intentions as discussed during the August Board Retreat?
- Do Board members have questions or feedback regarding items added by administration subsequent to the Board Retreat?
- Is the **Top 20% by 2020** SMART Goal the right student achievement goal for the District?

November Board Work Session

At the November work session, the Board will receive finalized 2017-19 MRSD Priority, Goal and Initiative Documents. Additionally, the board will receive information regarding measureable SMART goals statements developed by the administrative team. The board will be asked to approve these documents and engage in discussion to determine the 2018 work session calendar with targeted topics for each work session.

OUR BELIEFS

WE BELIEVE EVERY STUDENT IN THE MOLALLA RIVER SCHOOL DISTRICT. . .

- ❖ Can demonstrate personal and academic excellence
- ❖ Deserves a vibrant, self-empowered life

- ❖ Can graduate ready to control their own destiny
- ❖ Ought to be empowered to as confident citizens, ready to influence their world

WE BELIEVE EXCEPTIONAL SCHOOLS, TOGETHER WITH THE COMMUNITY,

- ❖ Build partnerships with parents and know their children
- ❖ Provide systems of support for each student, personalizing the way children's needs are met
- ❖ Educate the whole person - intellectually, emotionally, physically and ethically
- ❖ Are foundational in our democracy
- ❖ Teach for a future we can't yet imagine

WE BELIEVE IT IS OUR RESPONSIBILITY TO . . .

- ❖ Pursue exceptional academic achievement for ALL students in positive, engaging, safe learning environments
- ❖ Recruit, hire, develop, support and retain the very best educators for our students
- ❖ Assure effective communication, positive relationships throughout the community, and active engagement of our public
- ❖ Maintain responsible stewardship of all public resources
- ❖ Pursue the very best for ourselves and each of our students, working from the heart and the intellect to improve our world and the lives of others

OUR GOAL: TOP 20% BY 2020

Proposed Summative Student Achievement Goal:

Student achievement levels in English/Language Arts and Mathematics will increase across all grades and all levels, and overall achievement will place the district and each of the district's schools among the top 20% of comparison districts & schools and above the state average by 2020.

(NOTE: In addition to the summative goal above, the district administrative team, together with teachers and site councils, is preparing "leading indicator" goals to review at the November work session when this plan is complete.)

OUR TACTICAL INITIATIVES

We pursue exceptional academic achievement for ALL students in positive, engaging, safe learning environments.
