

2011-2012 ACT DATA REVIEW

ACT: WHAT IS IT

- ✘ American College Test
- ✘ A curriculum-based measure of college readiness
- ✘ Students take the English, math, reading, and science portions
- ✘ Writing component is optional
- ✘ Scores range from 1 (low) -36 (high)

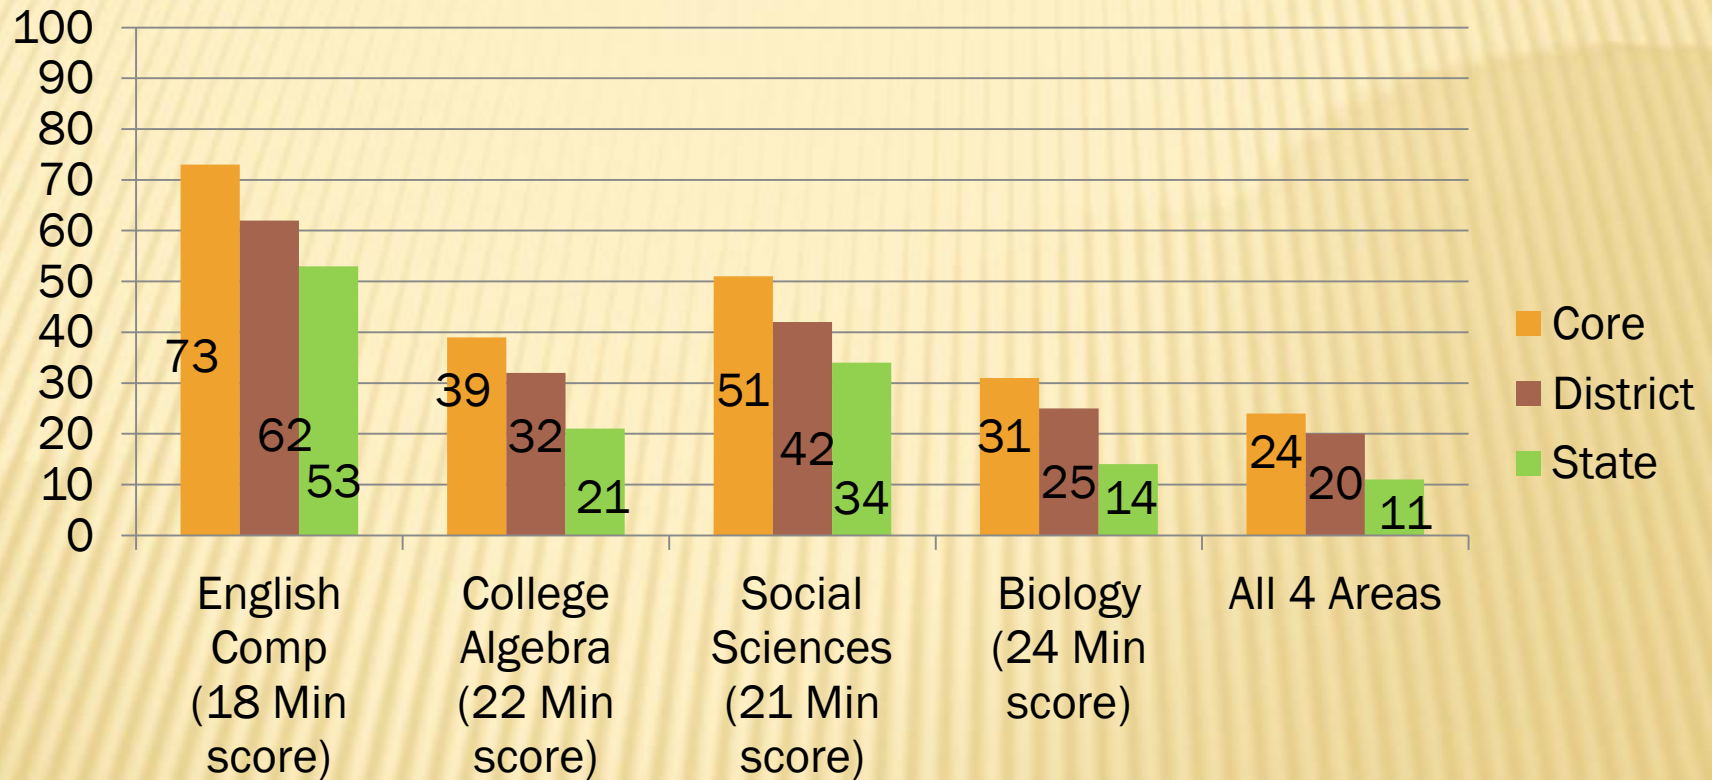

ACT: HOW DOES IT AFFECT TPSD

- ✘ Focus on 3-5 year trends
- ✘ Can be misleading because not all students send their scores back to their high schools.
