Subject: Quarterly Investment Report

MISD Board of Trustees: April 14th, 2025

Agenda Item – 6A

Background Information

The investment schedules are attached.

The Cash and Cash Equivalent Investment Balances schedule reflects the current interest rates and total balances of the District's various investments for the quarter ending March 31, 2025. Administration's goal is to keep balances in accounts with the highest rates.

The attached schedule shows total checking and investment balances at Independent Financial of \$9.8 million.

Fiscal implications

Total investment income for the FY 2025 3rd quarter appears consistent with the current year budget. Investments are liquid and secured by collateral, primarily in the form of letters of credit.

Administration Recommendation

None – information only
