Re: Athletics Update

Date: April 2, 2026

Wrapping Up Winter Sports

Winter sports are officially complete. Boys basketball won a Regional Championship and suffered a setback in a well-fought Quarterfinal game. Boys swimming and diving sent seven athletes to the state championship. It was a great winter for the Bulldogs with three SEC Championships (boys basketball, competitive cheer, and wrestling), two district championships (boys basketball and wrestling), and one regional championship (boys basketball).

Spring sports are underway and poised for a continuation of an excellent year for Chelsea Athletics!

Introducing Power Locker

Chelsea High School has recently installed a Power Locker in the Commons. Power Locker is an elite nutrition vending machine for students to train, compete, and recover with top nutrition brands that are Healthy Snack compliant, including protein shakes and snacks, high-electrolyte drinks, and other options that promote healthy choices. The machine is stocked and monitored by Power Locker and will serve all students and guests at CHS.

Go Bulldogs!

Respectfully,

Matt Cunningham, Athletic Director
Chelsea School District
