Background Information:

Texas Education Code §39.053 requires that each district's board of trustees hold a public hearing to discuss the district's annual report within 90 calendar days of receipt. The **Texas Academic Performance Reports (TAPR)** pulls together a wide range of information on the performance of students in each school and district in Texas every year. Performance is shown disaggregated by student groups, including ethnicity and socioeconomic status. The reports also provide extensive information on school and district staff, programs, and student demographics. Further requirement is that the report must be published in the same format as provided by the Texas Education Agency (TEA).
