

*Sierra Scholerman as Neah-Kah-Nie Preschool Volunteer of the Month...*

I would like to honor Sierra Scholerman as Neah-Kah-Nie School District Volunteer of the Month for the month of January.

Sierra volunteers her time, materials, and keen eye for design to transform our classroom for each holiday season. Her decorating helps to make the classroom a warm, inviting place that kids look forward to being in. I only wish Sierra could be here to see the students' reactions when they walk in the door. Their excitement and wonder is nothing short of magical.

I can't thank Sierra enough for her work in creating wonderful memories for our kids.
