Re: Board Report

We have had a very successful football and volleyball season this year, and are preparing for tournaments and final games. Our volleyball teams are in action this Saturday for the SRV tournament. 7th grade is at McCain and 8th grade is home at the High school. Both tournaments start at 9:00am. Our 7th grade football team is playing at Fruitland this Tuesday at 5:00pm for the conference championship, and our 8th grade is playing Ontario here at 4:30pm in their final game.

We are looking forward to Wrestling, Academic Bowl, and Girls Basketball starting this month.
