High School Swim Teams: Before each swim season (roughly from September to March), the swim coach and the aquatic center supervisor will schedule the practice times and meet times. This sum will be subtracted from the total pool rental owed by DCSD; and 2) an invoice for the difference will be submitted to DCSD for the rest of the total rental amount that is due.

Individual School Use: Roosevelt City will rent the pool to each school group on an individual basis based on established rates.

Golf Course

Roosevelt City will assess each school team/group a fee based on the number of participants on each team and in accordance with previously established rates with schools.

All other repairs and/or unforeseen major expenses will be paid for equally by each party.
