Principal's General Narrative:

High school football and volleyball practices are underway. Coaches are pleased with the numbers of student athletes and their effort. Band Camp begins Monday 8-13-07. Student schedules are ready and students can pick them up starting Monday 8-13-07. We still have a Coach/Teacher position open. We have interviewed one applicant who later decided to back out and another applicant who is not interested in coaching. There are currently two other applicants who we are talking with. The custodians and maintenance departments have done a great job in getting everything ready for school to begin.

I and all the members of the high school and junior high appreciate the time, effort, and wisdom that school board members give on our behalf. We recognize that without the great leadership from the school board and Mrs. Renken our direction of continued and greater success would not be possible.
