Re: McKinley Center Discussion

We would like to continue our discussion regarding McKinley Center at the Building and Site Committee meeting on Monday, December 7, 2015. At the November 23, 2015 study session the Board of Education was provided an update on the community meeting at McKinley.

Since that meeting Stacy Jenkins has sent communication to everyone that signed up for an email advising them that this will be a discussion item at the December 7, 2015 committee meeting. We have had interest from community members for some McKinley plants for themselves around the school. We have provided an opportunity for community members to stop by Thursday, December 3 at 11 a.m. with their shovel if they are interested in some plants at the site. A copy of her detailed email is enclosed for your information.

Please let me know if you have any questions.
