Why join NIISA?

NIISA is an incorporated non-profit organization working to increase Impact Aid appropriations for federally impacted Indian lands school districts. To accomplish our mission, NIISA is working diligently to establish working relationships with key members of Congress in order to provide recommendations and testimony to make the Impact Aid law more effective, efficient and equitable. Further, NIISA has conducted outreach initiatives to establish collaborative relationships with organizations that have similar values and missions as do the National Indian Education Association-NIEA, the National Advisory Council on Indian Education-NACIE and the National Congress of American Indians-NCAI. Finally, as a member school district, you have a voice in all NIISA matters including electing NIISA leadership, serving in a leadership capacity, and guiding policy and organizational direction.

We urge you to consider the advantages NIISA brings to your school district and join our growing organization today. If you have further questions, please call Brent Gish at (218) 935-5848 or gishbd@arvig.net . Thank you!
