

Executive Summary

Prepared for Board of Trustees Meeting

February 13, 2007

Update on Long Range Technology Plan

Purpose of Report

To present the board with the 2007-2010 Long Range Technology Plan that was submitted to TEA.

Objectives

- TEA mandate for districts to submit a long range plan for technology
- Give the goals, objectives and strategies for technology in DISD

Results

We have used compiled data received from teachers and administrators to come up with a plan for integrating technology in DISD. This plan puts our objectives and strategies on paper and the required TEA requirements for a Long Range Plan in place.
