

School Board Meeting:

July 22, 2019

Subject:

Resolution Relating to Increasing the General Education Revenue of the School District, and Calling an Election Thereon

Presenter:

**Gary Kawlewski, Director
Finance & Operations
Dr. Scott Thielman, Superintendent**

SUGGESTED SCHOOL BOARD ACTION:

Recommend board approval

DESCRIPTION:

Based on previous discussions, the board has deemed it necessary to place a ballot before the district voters asking for an increase in the BHM Schools' operating referendum revenue at a special election on November 5, 2019. The recommendation is to increase the revenue by \$750 per pupil. The recommended length of the question is five years with no inflationary increase included in the ballot language.

The attached resolution authorizes district staff to take the necessary steps to execute the election process.
