Re: Superintendents Board Report

Meeting with Legislators

- I will be attending a meeting with legislators from across the Treasure Valley in early December.

Idaho School Boards Association Virtual Conference

- We have registered for the ISBA conference. The sessions that we will attend will be held November 10-12. Here is a link to the conference agenda.
<https://www.idsba.org/convention/three-day-agenda>. We will have the sessions streaming in the board room and board members are welcome to attend any of the sessions. The sessions will also be recorded and if there is a session you are interested in you will be able to watch it up to 30 days after the conference.

Technology Update

- The Idaho State Board of Education is purchasing Chromebooks and invited school districts to apply for the purchase of these devices. We have ordered 1,000 touchscreen Chromebooks. If we receive all the devices ordered in this order as well as ones we have ordered using Covid-19 Relief funds we will be in good shape for Chromebooks for several years and can turn our technology focus to other areas.
