Terms and Conditions for Academy/ALVS Products

Applicable to the Purchase of Enrollment Products:

Charges for Enrollment Product Purchases during the Term will be incurred at the prices listed in Appendix A. Charges will be incurred on either a per enrollment or per student basis; you are responsible for ensuring appropriate enrollment selections. For clarity, multiple enrollments that overlap in scope or time will result in separate charges. Charges for Enrollment Product Purchases made after the end of the Term will be incurred at then-current pricing.

During the Term, the Prepayment Balance may be applied to the Purchase, pursuant to this Order, of any Enrollment Product.

After your Prepayment Balance has been fully applied to Enrollment Product Purchases, charges for additional Enrollment Product Purchases during the Initial Term shall continue to be incurred at the prices listed in Appendix A. Charges for Purchases in excess of your Prepayment Balance will be invoiced to you in the month following your Purchase.

If the Prepayment Balance is not fully applied to Enrollment Product Purchases as of the end of the Initial Term, this Order is subject to an Extended Term.

We may at our sole discretion, with respect to Enrollment Product Purchases, grant a courtesy extension period of an Initial Term or an Extended Term, as applicable, subject to the following conditions: (a) your Prepayment balance has been fully applied to Enrollment Product Purchases; and (b) you have not placed a Subsequent Enrollment Product Order that has an effective date prior to or 60 days subsequent to the end of, as applicable, the original Initial Term or the original Extended Term; and (c) any extension period, not to exceed 60 days, shall be measured from the last date of, as applicable, the original Initial Term or the original Extended Term.

Notwithstanding anything herein to the contrary, Prepayment Balances shall expire 12 months from the end of the Initial Term.

At our sole discretion, we reserve the right to delay invoicing for Enrollment Product Purchases you make in excess of your Prepayment Balance if your Order Summary includes multiple Enrollment Product Program Periods. Delayed invoicing may result in the reallocation of Prepayment Balance funds available during certain Enrollment Product Program Periods; reallocation may result in reducing Prepayment Balance funds available during Enrollment Product Program Periods subsequent to the Enrollment Product Program Period during which invoicing was delayed.

During the Term, Customer may request, and Edmentum may in our sole discretion permit, the application of a portion of Customer's Prepayment Balance to Enrollment Product Purchases made pursuant to a Subsequent Enrollment Product Order. If at the time of an Enrollment Product Purchase during the Term, you have multiple active orders for Enrollment Products, we may, in our sole discretion, attribute your Enrollment Product Purchase to any such active order having an available prepayment balance.

Disputes of charges for Enrollment Product Purchases must be submitted within 90 days of the invoice date.
