Background Information

On May 4th, the Personnel Committee reviewed the list of 2020 spring coaches. Committee members also discussed activities led by coaches during Distance Learning in order to recommend how much spring coaches should be paid. Minnesota schools have made different decisions about payments for spring coaches with most schools paying 50-100% of typical salaries. The Personnel Committee recommends paying spring coaches at the rate of 50%.

Recommendation

I move to hire half-time spring coaches as per attachment.
