Re: Approval to Award RFP #375-54 RTS Pizza

The District issued RFP #375-54 RTS Pizza to select one or more firms to provide our Child Nutrition Department with a supplier to purchase pizza to serve to the students at the Secondary campuses. The District received two responses to the RFP. After an evaluation by the Child Nutrition Department, which included a taste test, the District is requesting board approval to award both vendors in order to meet the needs of the District. The responding vendors are listed below.

JBT Pizza Inc. DBA, CiCi's Pizza

Team Bailey LLC, DBA Domino's Pizza

RECOMMENDATION: That the Coppel ISD Board of Trustees grant approval to the District to Award RFP# 375-54 to the responding vendors.
