Dr. Matthew Conway  
SCASA Award Recognition  
Derby Public Schools nominee: Destiny Lewis

Destiny is the personification of hard work and perseverance. Ambitious and opportunistic, Destiny has excelled academically while taking advantage of supplementary programs to add rigor to her already demanding work load. Earning Honor Roll recognition even with AP and Honors level courses, Destiny secured her place in both the National Honor Society and the Sociedad Honoraria Hispanica. She maintains a 3.9 GPA through her senior year thanks in part to exceptional work ethic in the dual-credit course offered through Post University High School Academy. Equally impressive is Destiny's dedication to community service and school improvement. She has made an impact on both through her involvement with the Human Relations Club and the DHS Student Council. Destiny is humble in her lead-by-example approach, finding a healthy balance between her commitment to the school's track and field team, working at My Sister's Place in Ansonia, and volunteering at Little Raiders University for a duration of time. Destiny is a well-rounded representative of the vision of what we expect from our graduates of Derby High School.
