

Pecan Creek Elementary Dual Language Classroom

Dual Language Program Expansion

BHS Zone

Summary of Proposed Expansion of the PreK Dual Language Program in BHS Zone

Select the PreK One-Way Dual Language Program for the 2021-2022 School Year

- Identified the need for Spanish-Speaking Emergent Bilinguals to receive the dual language program in the following elementary campuses:

Bell Elementary

Cross Oaks Elementary

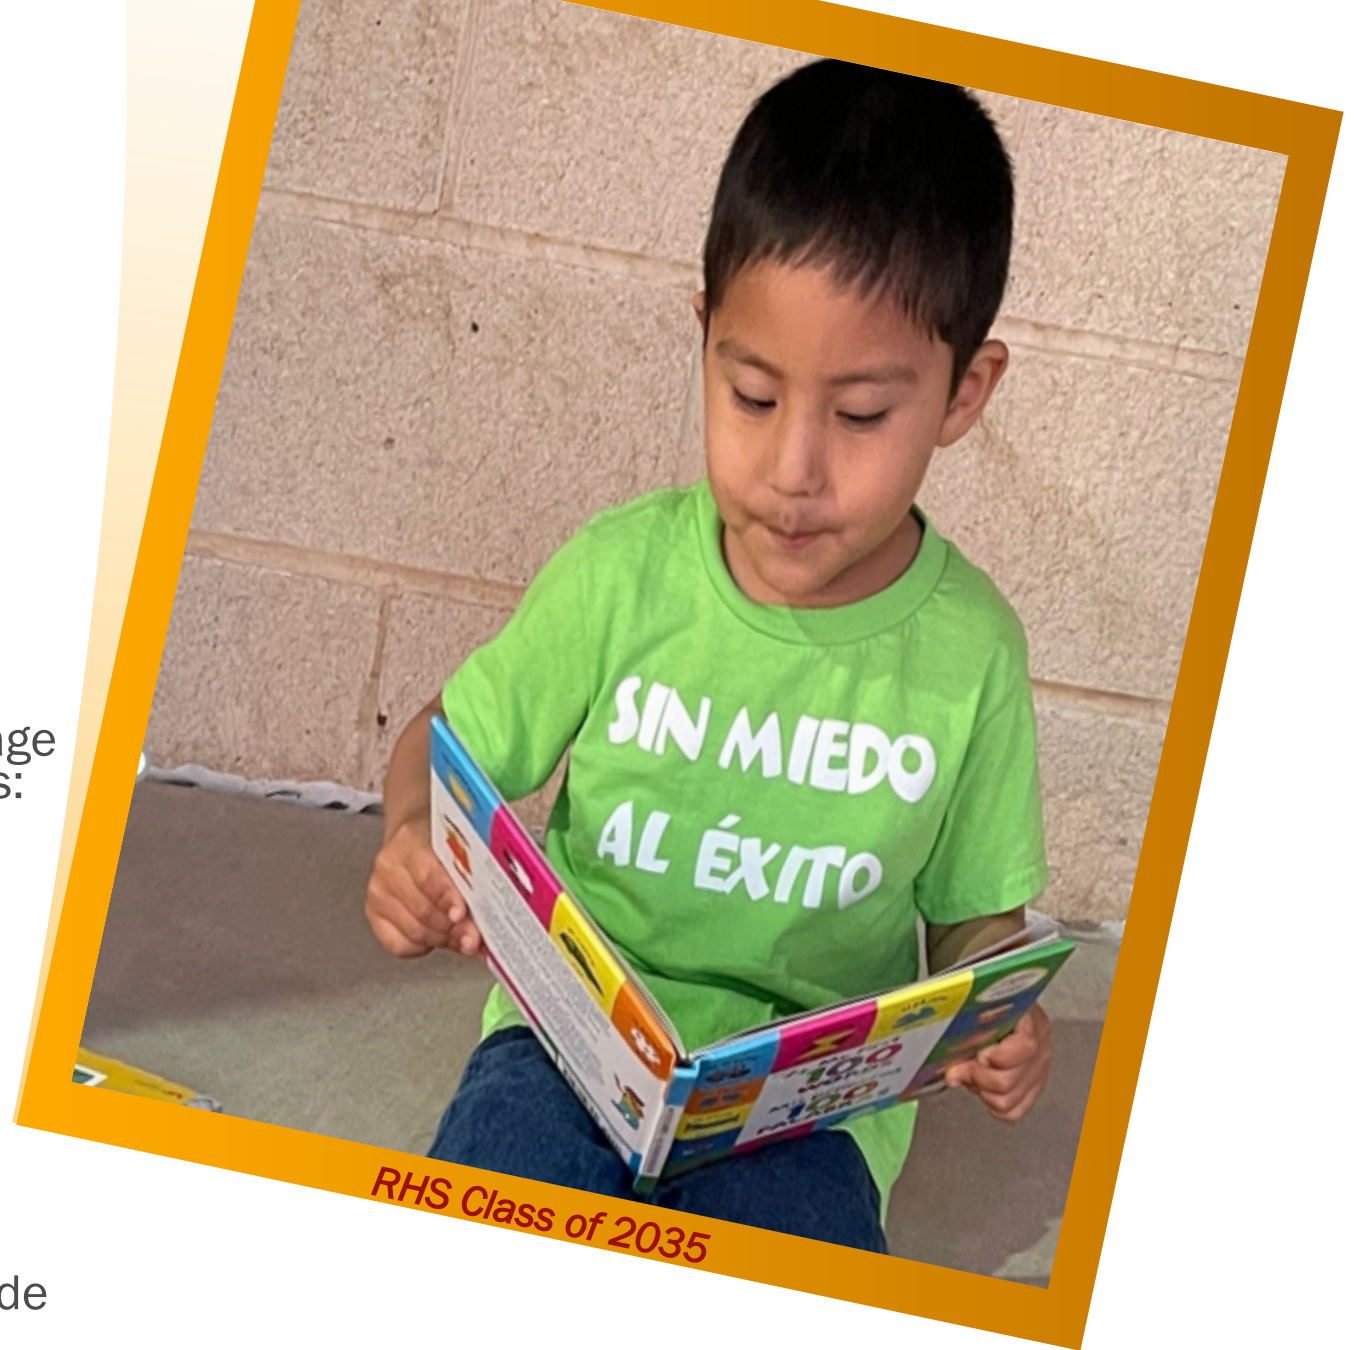

Paloma Creek Elementary

Providence Elementary

Savannah Elementary

Union Park Elementary

- Expand the dual language program by one grade level each subsequent year

Program Expansion Plans

PreK One-Way DL Program at Cross Oaks Elementary

Collaborated with district and campus leadership to determine the dual language campus based on student needs and building space in the BHS Zone

Future consideration of a DL program expansion in an east location of the BHS zone

Communicated with the Spanish-Speaking Community in the BHS Zone

Virtual Parent Meetings

Parent Emails, All Calls, & Personal Calls

Provided Guidance on the Emergent Bilingual Identification Process for the BHS Elementary Campuses

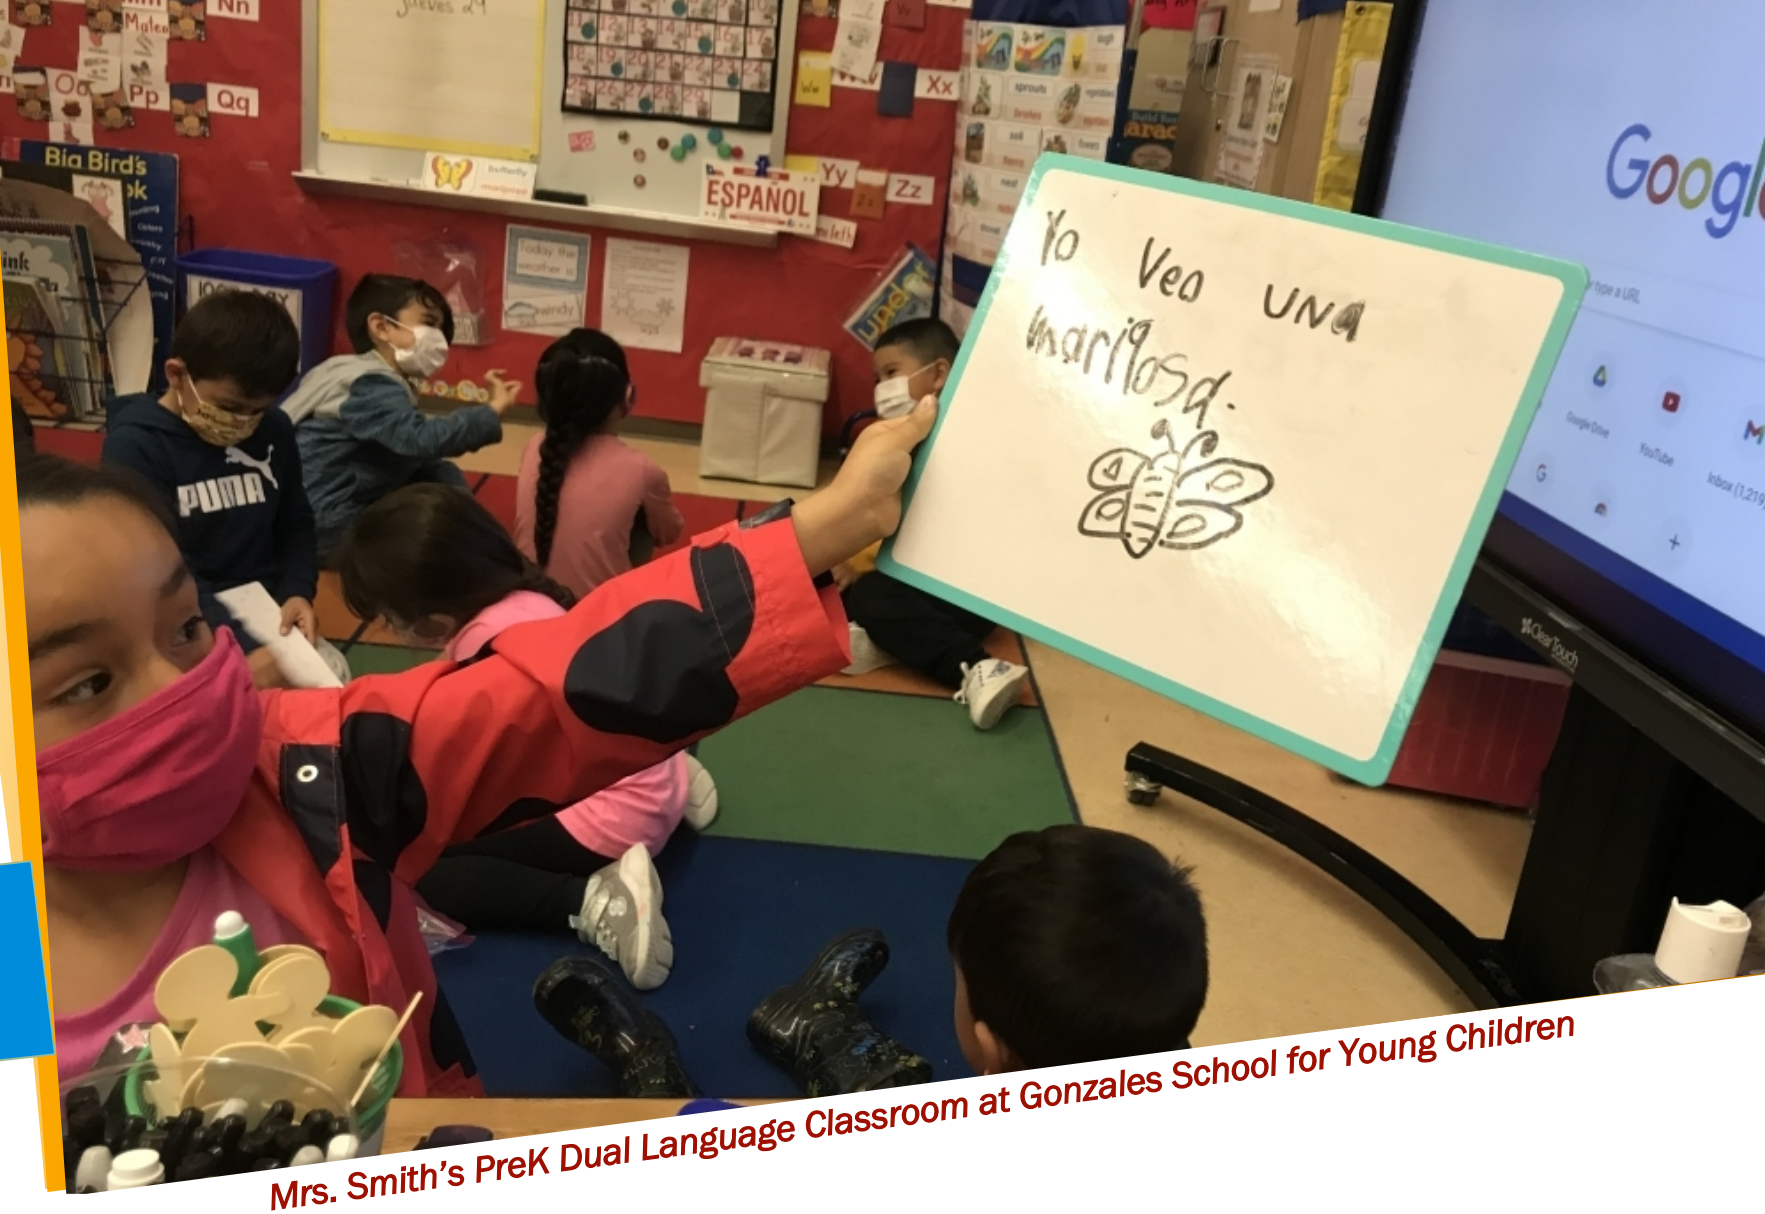

Currently 36 upcoming PreK Emergent Bilinguals may qualify pending English language proficiency assessment

Next Steps

May-July 2021	Continue Communication with the Spanish-Speaking Community in the BHS Zone
July 2021	Support the online PreK registration to facilitate the <u>English Learner identification process</u>
August 2021	Prepare Instructional Resources & Professional Development for the PreK Dual Language Teacher
August 2021	Cross Oaks Campus-Wide Professional Development on Dual Language Program
2021-2022 School Year	Ongoing Monitoring of the Spanish Speaking Emergent Bilingual Growth in the BHS & GHS Zone
