POLICY 534 - SCHOOL MEALS POLICY

I. PURPOSE

The purpose of this policy is to ensure that students receive healthy and nutritious meals through the school district's nutrition program and that school district employees, families, and students have a shared understanding of expectations regarding meal charges. The policy of the school district is to provide meals to students in a respectful manner and to maintain the dignity of students by prohibiting lunch shaming or otherwise ostracizing the student. The policy seeks to allow students to receive the nutrition they need to stay focused during the school day and minimize identification of students with insufficient funds to pay for a la carte items or second for school meals as well as to maintain the financial integrity of the school nutrition program.

II. PAYMENT OF MEALS

- A. Students have use of a meal account once a student account is below \$1.00. Messaging in regards to the meal account balance will be sent in accordance with the [Food Service Meal Account Maintenance Procedures](#) and [Meal Debt Procedure](#).
- B. A school that participates in the United States Department of Agriculture National School Lunch program and has an Identified Student Percentage at or above the federal percentage determined for all meals to be reimbursed at the free rate must participate in the federal Community Eligibility Provision in order to participate in the free school meals program. ~~If the school district receives school lunch aid under Minnesota Statutes section 124D.111, it must make lunch available without charge to all participating students who qualify for free or reduced price meals regardless of account balance.~~
- C. Each school that participates in the free school meals program must:
 - 1. participate in the United States Department of Agriculture School Breakfast Program and the United States Department of Agriculture National School Lunch Program; and
 - 2. provide to all students at no cost up to two federally reimbursable meals per school day, with a maximum of one free breakfast and one free lunch. ~~A student with an outstanding meal charge debt will be allowed to purchase a meal if the student pays for the meal when it is received.~~

- D. A student who has been determined to be eligible for free and reduced-price lunch always must be served a reimbursable meal even if the student has an outstanding debt.
- E. Once a meal has been placed on a student's tray or otherwise served to a student, the meal may not be subsequently withdrawn from the student by the cashier or other school official, whether or not the student has an outstanding meal balance.
- F. When a student has a negative account balance, the student will not be allowed to charge an a la carte item.
- G. If a parent or guardian chooses to send in one payment that is to be divided between sibling accounts, the parent or guardian must specify how the funds are to be distributed to the students' accounts. Funds may not be transferred between sibling accounts unless written permission is received from the parent or guardian.

III. LOW OR NEGATIVE ACCOUNT BALANCES - NOTIFICATION

- A. The school district will make reasonable efforts to notify families when meal account balances are low or fall below zero.
- B. Families will be notified of an outstanding negative balance per district procedure.
- C. Reminders for payment of outstanding student meal balances will not demean or stigmatize any student participating in the school lunch program, including, but not limited to, dumping meals, withdrawing a meal that has been served, announcing or listing students' names publicly, providing alternative meals not specifically related to dietary needs; providing nonreimbursable meals; or affixing stickers, stamps, or pins. ~~Reminders for payment of outstanding student meal balances will not demean or stigmatize any student participating in the school lunch program, including, but not limited to, dumping meals, withdrawing a meal that has been served, announcing or listing students' names publicly, or affixing stickers, stamps, or pins.~~

IV. UNPAID MEAL CHARGES

- A. The school district will make reasonable efforts to communicate with families to resolve the matter of unpaid charges. Where appropriate, families may be encouraged to apply for free ~~or~~ and reduced-price meals for their children.
- B. The school district will make reasonable efforts to collect unpaid meal charges classified as delinquent debt. Unpaid meal charges are designated as delinquent debt when payment is overdue, the debt is

considered collectable, and efforts are being made to collect it.

- C. Negative balances of more than \$50.00, not paid prior to the end of the school year, will be turned over to the superintendent or superintendent's designee for collection. In some instances, the school district does use a collection agency to collect unpaid school meal debts after reasonable efforts first have been made by the school district to collect the debt. Collection options may include, but are not limited to, use of collection agencies, claims in the conciliation court, or any other legal method permitted by law.
- D. The school district may not enlist the assistance of non-school district employees, such as volunteers, to engage in debt collection efforts.
