Explain why you are interested in serving on this Board or Commission and what experience you bring that would assist in decision making and future actions of this Board or Commission:

I am seeking to serve on the Nueces County Spohn Board because I am deeply committed to strengthening the health and well-being of our community. With more than twenty years of volunteer and board service across numerous local organizations, I bring a long record of collaboration, stewardship, and community-centered leadership. While my previous service has not been primarily focused on health initiatives, I have always cared about the well-being of our community, and that unquestionably includes ensuring we have a strong, accessible, and continuously improving healthcare system. I am drawn to this role because I believe in CHRISTUS Spohn's mission to provide high-quality, compassionate care to all, and I want to help support and advance that mission. My experience working with diverse community partners, combined with a genuine dedication to service and a fresh, committed perspective on healthcare needs, positions me to contribute meaningfully to the Board's efforts to maintain and enhance the care our community depends on.

I hereby certify that the foregoing answers are true. I further certify, should I be considered for appointment to a board, commission, advisory board or committee I will disclose in this application whether I am an employee of the governmental entity of which I seek appointment, I will disclose all appointments that may result in conflicting loyalties, and I will disclose if a family member is an employee of the governmental entity that I seek appointment. Also, should I be appointed to a board, commission, advisory board or committee, and should a conflict of interest exist or develop about a specific matter, I will disclose the conflict of interest upon discovery and recuse myself from the deliberations and action involved. Conflicts of interest include but are not limited to: a direct or indirect financial interest by me or a member of my family, and other interest, which impairs my ability to participate fairly in the deliberations and actions in question. *I hereby affirm that I meet the minimum qualifications and residency requirements for this board or commission.
