Getting to know...

Joy Cranston

Ms. Cranston is our new science teacher & comes to us from Stanfield, Oregon. She has lived most of her life in Northeastern Oregon and is very happy to be back in the western side of the state. She earned her bachelor's degree in Biology at Eastern Oregon University, and her Masters from Grand Canyon University. She has two wonderful kids and spending quality time with them is her favorite thing to do. Joy has worked in other industries and believes the experiences and perspectives gained there have served her well in her education career. It is her goal "that every student knows their importance, and that in all things they have the ability to be successful." Sounds like she'll make a wonderful addition to the staff here at Lorna Byrne. Welcome Joy!

LBMS Library Happenings

Hey LBMS families! Thanks so much for your cooperation during Chromebook pickup last week. Some of you spoke to me about your overdue books, and I'm glad we were able to touch base. Please take a look at page 2 of this newsletter for info about our first ever Online-only Scholastic Book Fair. There are some great features added for this year, and as always your purchases help our school with obtaining books and other supplies. So THANK YOU in advance!

Mr. Jensen

Cassie's Corner...

Hi I'm Cassie Banuelos, I'm the new counselor at LBMS and I'll be sharing some wellness tips with our Viking Families in this space on a weekly basis. This week I thought I'd share some of my background, so that you'll be more acquainted with me. I've been with Three Rivers School District for 17 years, and worked at various other schools as a counselor. I've been with my husband since I was 15, and we have two great kids. We enjoy visiting Hawaii and Disneyland, and I love sports, friends, and scrapbooking among other things.

My favorite color is teal, favorite food is pasta, and I love ice cream and shaved ice. My hero is my Grandpa Lino.

I can't wait to get to know as many of you as I can this year...I'm so happy to join Mr. Pratt and the staff here at Lorna Byrne. I know we are going to have a fabulous year together!
